

THE BLOODY SUNDAY INQUIRY

Officer J will say:

I, Officer J, have worked for the Security Service for 10 years. I am currently at a junior management grade.

I have read David Shayler's statement. He refers to me at paragraph 6. I was in T2 at the same time as David Shayler and sat opposite him for about 6 months. I was in the same room as him for about 16 months in total.

I do not recall ever discussing INFLICTION with David Shayler, his girlfriend or anyone else. I have been told INFLICTION's code number and do not recall discussing an agent with this number either. Nor do I ever remember hearing David Shayler ever discussing INFLICTION with anyone else. Neither do I recall ever seeing anything in writing to do with INFLICTION.

My only recollection of INFLICTION was that someone in T2 was doing some sort of research project regarding INFLICTION. I do not know what this report was about nor did I ever see it.

Officer J

Other than the above I have only heard INFLICTION's name mentioned by newspapers in the context of the Bloody Sunday Inquiry.
